

Home learning 2019
Topics for January - April 2019
Transport, Life cycles and Family & Friends

Dear Parents and Carers,

Please take some time to complete our fun activities with your child at home and bring them in to preschool to share during circle time with friends.

Question and Answer time with your child

1. How do you travel to nursery?
2. How many buses can you count on your journey?
3. What is your favourite way of travelling?

1. 1,2,3 Cheese – Take snaps of your children travelling using different forms of transport
2. Let's be creative...Junk modelling your favourite transport using resources and materials from home.
3. Take a walk in your local area and identify

- Family & Friends**
1. Learn our new friendship poem
 2. Make a friendship bracelet for your friend/friends and bring it to nursery
 3. Create a family tree with photos and bring it in to nursery
 4. Arrange a play date with your friends and take pictures

Friendship Poem

I had a box of crayons
All shiny, straight and new
I lent a friend one crayon,
And "oops" it broke in two!
My friend said she was sorry,
But I said "It's ok"
Because now we can both colour
With one crayon, sharing is caring.

- The Life cycles of a frog, chick and a butterfly**
1. Use magazines and pictures to cut out and create your own collage of a life cycle
 2. Take a trip to the library and look at books about life cycles
 3. Plant a seed and watch it grow taking pictures along the way.
